DAILY DRIVE TO SURVIVE™

FOCUS ON A CURE™ FOR BRAIN TUMORS

2011

**How to
 Raise
 Funds!**

Example:
 15,000 miles
 per year
 x .01 = \$150

15000
 YTD

The more miles you drive,
 the more funds you raise,
 the more premiums
 you earn!

Pledge a coin for each mile you drive every day. Pledge a penny, a nickel, a dime or a quarter for every mile you drive. Pledge a day, a week, a month or all season long.

Then tally up all of your miles and multiply them by your daily drives for your total pledges. Daily Drive to Survive. Pledge the miles you drive. It's that simple!
